

EDUCATIONAL DIVISION PROCURES NEW PROJECT!

**Client:** Town of Stratford, CT.

**Project:** Construction  
Management Services

**Services:** Savin will provide construction management services for the construction of an 8100 square feet new animal control facility. This facility will encompass 30 kennels and a dog run which will allow public use of facilities. Project is scheduled to begin this July and be completed in January 2010.

"Improving Quality of Life"
